MILES FOR MILLIONS MARCH

Twenty-five Mile Hike to Help Less Fortunate

Interest High for Annual March This Weekend

Indications point to a very large turnout of walkers in the "Miles for Millions" March in Drayton Valley on Saturday, May 10th.

On Monday of this week over 1,000 registration forms had been taken out and it is thought likely that 900 or more people may be taking part in the march. About 350 took part in last year's march.

Committee members pointed out that participants should follow carefully the directions on the registration cards and have them completed ready for registration that begins at 7:00 a.m. at the Centennial Arena.

The march is scheduled to get underway at 8:00 a.m. and follow a twenty-five mile course that ends at the centre.

Check points are indicated on the accompanying map and marchers should make sure to have their cards signed at each check point. Radio contact will be maintained along the route.

No food supplies are available along the way and marchers should carry any lunch they require. Hamburgers and pop will be available at the arena following the march.

Any inquiries during the walk-a-thon may be made by phoning 542-3440.

It is also pointed out that all those under 21 years of age who intend to take part, must have their cards signed by a parent or guardian.

Walkers should also ascertain that the number on registration card is recorded on all sponsor forms as this is used for identification at the start and finish of the march.

The march committee has tenatively established the recipients of funds raised to be the Indian-Eskimo Association of Canada, OXFAM of Canada, CARE of Canada, the Canadian Catholic Organization for Development and Peace and the local charitable fund.

Prize Winner Drawn

Mayor Hank Shimbashi (L) (who won the Rebels Hockey Club trailer draw the previous evening) reaches deep into the dryer to draw the name of the winner of Coin Electric's Home Centre Grand Opening Contest. Manager John Moody watches as Dr. Shimbashi draws the name of Mrs. Murray Scott (lower left) who receives a corsage and the congratulations of Mrs. Moody.

Local Lodge Hosts Elks Spring Meet

Drayton Valley Lodge No. 391 of the Benevolent and Protective Order of Elks of Canada having been selected as Host Lodge for that Order's District 13 Spring Annual Meeting advise that the coming weekend promises to be a busy one insofar as the local Lodge is concerned.

With delegates and visitors expected from the Jasper, Hinton, Edson, Wildwood, Entwistle and Gainford Lodges as well as several officers from the Provincial and Grand Lodges, a heavy schedule will be the order of the day this Saturday, commencing with the registration of delegates at 11:00A.M.

Also included in the planning are a full dress parade at about 5:00 P.M. followed by a banquet and dance with trophy awards commencing at 7:00 P.M.

EARLY BIRD SWIMMING

Will anyone interested in before breakfast swimming please contact Dr. Hugh Maclure at 542-3261 or Mrs. Wilma Steeves at 542-3516.

Twenty-five names will probably be needed and the cost will be about $5.00 each.

Obtaining the use of the pool from 6:30 to 7:30 depends on how much demand there is for it. It is hoped that those of us who find it almost impossible to use the pool at other times will indicate their desire that this very expensive facility should be put to full use during the short three months that it is open.

Lucky Pair Split Jackpot

One hundred and thirty bingo players were at the Legion Hall Saturday evening shooting for the $230 jackpot. Lucky winners, who tied and split the prize, were were Mrs. W. Norquay and Mrs. E. Gillespie.

Legion members regret that some people were turned away from the bingo when they ran out of cards.

Next bingo is May 10th and the jackpot is $60.00.

Breeders' Day At Lacombe

The Lacombe Beef Breeders' Day will be held at the sales pavillion of the Lacombe Research Station on May 10th.

The morning section of the program will cover results of beef breeding research and carcass research, business decisions in beef breeding and a discussion of new European cattle breeds.

In the afternoon a probe for measuring rib fat thickness in live cattle will be demonstrated and bulls will be judged for cutability.

Visitors to the Lacombe Beef Breeders' Day will see the Lacombe Shorthorn herd; Simmental bulls, cows, and calves; Simmental x Shorthorn calves and Charolais x Shorthorn calves.

How Does Your Garden Grow?

By Green Thumbs

Just about every gardener has a yen to grow roses, no matter whether they are shrub roses, hybrid teas, or the many varieties on the market today.

The most important thing of all is very often overlooked, and that is the part of the Province (or Canada) in which you live. Not every rose is suitable to our climate, and when choosing your bushes, make sure that the variety is suited to your area.

There are some beautiful varieties of roses in the Hybrid family that are 'flown in' every year and produce some luxuriant blooms, but they are very difficult to 'winter' and very often the next spring there are a lot of disappointed people who find that their beautiful rose is dead. If you buy these varieties with the knowledge that they may not survive the winter, you may feel that the blooms enjoyed during the summer are well worth the expense of planting each spring, so it depends on how your gardening budget is.

If you are partial to the Hybrid Tea rose, try getting the sub-zero varieties, these will withstand very cold winters, but there is still no guarantee that they will not 'winter kill' but you have a much better chance of survival.

Our Provincial Nurseries supply stock that has been tested for our part of the country, and if you want rose bushes that will last it is best to plant a variety that is proven, such as Hansa Red, semi-double; Betty Bland, double pink; F.J. Grootendorst, red rosette type; Persian Yellow, double; Blanc de Coubert, double white; and a comparative newcomer which is extremely hardy is Prairie Dawn, a beautiful double deep pink.

The Grandiflora is my favourite species of rose, and the variety Queen Elizabeth, which has large double blooms in clusters similar to Floribundas, is carmine-rose to dawn pink in color, and has a lovely fragrance, but it is sometimes hard to 'winter' this variety. I have been successful if in the fall the bush is completely dug up and buried in a deep trench in the vegetable garden, then replanted again in the spring. This method has also been known to work for some Hybrid Teas that are too delicate to winter without protection

Rugosa Roses are very popular in the prairie provinces, they grow from 3 - 6 ft. high and are very thorny, which make an ideal hedge or barrier. Very little, if any, winter protection is needed and they come in various colors of pink, red and yellow.

Two superb Floribunda roses worth mentioning is Fashion, coral-salmon colored fragrant blooms, and Orange Triumph which has large clusters of orange-scarlet blooms, from June to frost.

Roses like well cultivated soil and will do well in a location where they get the sun from early morning until early afternoon, during the hottest part of the day it is best if they have semi-shade as intense heat is likely to bleach the color from the petals and will give them a washed-out look, and this is not desirable if you wish to show your blooms.

Don't forget to fertilize your roses. There are some preparations at just about every store that sells nursery supplies, that is specially prepared for roses, read the directions and apply accordingly, it will be money well spent.

Funeral Services Held Saturday for Oldtime Resident, Mrs. A. Peck

Funeral services were held in Drayton Valley United Church on May 3rd for the late Mrs. Amie Leona Peck who passed away in Mayerthorpe on April 29th in her 83rd year. The Reverend E. Martin conducted the service and Mrs. Howard Pickup was organist. Pall bearers were: A. Hodgson, R. Johnson, H. Whyte, L. Beckett, L. Williams and L. Tucker. Interment was in Drayton Valley Cemetery.

Mrs. Peck is survived by three daughters: Mrs. Frank Watson (Eleanor) of Mission City, B.C.; Mrs. Eric Jonson (Mildred) of Drayton Valley; and Mrs. A.E. Andrews (Marjorie) of Vancouver; eleven grandchildren and fifteen great grandchildren. Also surviving are two brothers: Chester Miller of Drayton Valley and Harvey Miller of Prince Rupert. Mrs. Peck was pre-deceased by her husband in 1960 and by her only son, Floyd, in 1962.

Mrs. Peck was born in Kansas in 1886 and moved to Alberta with her family in 1901. They lived at Riviere Que Barre and Carvel where Mr. and Mrs. Peck were married in 1910. The couple moved to Wabamun and then to Ponoka and then in 1928 to Edmonton where Mr. Peck worked for his uncle, the late Warren Prevey, founder of Edmonton City Dairy.

In 1940 the Pecks moved to Drayton Valley to farm. For some years Mrs. Peck was organist in the Anglican Church.

Legislature Report

BY RALPH JESPERSEN, M.L.A.

This past week was spent mainly in giving second and third reading to Bills. During this session we were asked to approve some 100 Bills.

In this report I would like to refer to some of the main features of Bill 51, as it affects our County and people in the Stony Plain Constituency. To qualify as a farmer, the 20 acre or more has been reduced to less than 20 acres if the principal income is derived from the unit. The purpose of this is to assist the farmer, the chicken farmer using small acreages, also some hog and cattle feeders.

In this Bill nursing homes together with the improvements, while used for the purposes prescribed in The Nursing Homes Act, will be exempt from that portion of taxation used for school and hospital purposes - only the tax for municipal purposes will apply. The same will apply on a building used as a hospital or in connection therewith, including a nurses residence. Summer camps operating as a non-profit organization and used chiefly for children may also qualify for this exemption.

Another section of this Bill applies to those who own dwellings at lakes or elsewhere used for holidays or recreation purposes. If the dwelling was not occupied by the owner or his family for more than 120 days during the year, and received no revenue, then the assessment of the dwelling can be reduced to one-third of the assessed value.

Last Session, I seconded a Motion asking the Government to give consideration to include the supplementary requisition on the assessment of pipelines and power lines. Bill 51 permits Counties and Municipal Districts to proceed with this, effective January 1st, 1970. This will add a considerable amount of revenue to the County of Parkland, since we have a very high assessment of pipelines and power lines.

EDITORIAL COMMENT

Survival Stressed

The Canadian Red Cross Water Safety Service has made a thorough review of its aims and recognizes that skilled swimming is an outgrowth of experience in the water, and that there is little value in stressing form and technique to the exclusion of personal ability to survive a water accident situation.

Its greatest concern was the main cause of drowning in Canada - the accidental, unanticipated entry into water! Therefore the "new look" of the Red Cross Water Safety has included the introduction of a drown-proofing technique designed for the survival of the individual, even in rough seas, while wearing clothes, or even when seized with cramps.

On compiling the 1968 drowning statistics it was found that the largest contributing factor to the year's fatalities was falling into the water from a stationary object. It was felt that most victims of accidental entry into the water could have been saved had they been familiar with the survival routine.

It's Good to be Young

To be young today is to enjoy many advantages and comforts unknown to former generations but to suffer many trials and to cope with many problems which did not plague our forefathers. Young people are genuinely puzzled by the frictions and deficiencies in our society.

Impatience comes naturally to the young. They resent the bureaucratic time lapse between pressing the button and getting an answer to their questions or action on their request for change.

Young people have a consuming passion to make wheels turn, to go somewhere. Discontent with things as they are is not wrong in itself. It is the impetus which has created most of the greatness in men and women in all of history. But discontent which looks only at burdens to demonstrate against and not at blessings to use is unhealthy.

Both burdens and blessings are part of normal life. The great scientists, historians and philosophers agree that life on earth has been and is one continuous, never-ceasing process of readjustment. --Royal Bank Letter

Warburg Legion, Auxiliary Host District 4 Rally

By Mrs. Rose Saunders

The Auxiliary meeting during the Legion District Rally at Warburg recently was called to order by President Mrs. Norma Bowen. The Sgt. at Arms Mrs. Florence Foster escorted guests to the Head Table who were Padre Dr. Rev. G. Hutchinson of Calgary; Ed Coley, Provincial President (Alta Command); Comrade Mark Hooks, Warburg Legion President; Mr. Sam Ruff, Mayor of Warburg and Mr. Stu Black, District Commander #4 of Innisfail.

Visiting Auxiliaries were then escorted to front row seats.

Head table dignitaries were then marched in and seated. These were Joy Manuel of Innisfail, 1st Vice President Provincial Auxiliary; Joan Yeates of Edmonton, 2nd Vice President Provincial Auxiliary; and Kae Girling District Commander, Zone 4 of Ponoka. Mrs. Grace Towell, Provincial Auxiliary President of Calgary was then escorted to the head table.

The color-bearers were advanced from the rear of the hall down the centre aisle to the platform and remained standing during O'Canada and the opening ceremony.

Color Party members were Mrs. Irene Gillespie, Mary Lehay and Margaret Cunningham.

The Auxiliary President introduced the Legion guests, who spoke a few words of greetings and were escorted out to attend their own meeting which was held in the Warburg school auditorium.

The following dignitaries were at the head table at the Legion meeting. President Alberta Command Ed Coley, Edmonton; 1st Vice President W.W. Bill Gordon; Provincial Secretary Stan Walpole of Calgary; Ed Dick, Drumheller, 2nd Vice President; Jack Chapman, 3rd Vice President of Stettler; Stu Black, District Commander Zone 4 of Innisfail; and Comrade Mark Hooks, President Warburg Legion #205.

A total of 157 Auxiliary members and 18 branches out of 27 were represented and came as far as Calgary and Coronation.

Thanks were extended to Alder Flats, Thorsby and Winfield Auxiliaries, pianist Mrs. Lois Robinson of Alder Flats Auxiliary and Evelyn Young of Calmar.

A buffet supper was served at 6 p.m. and entertainment was supplied by Dave and Lois Robinson. A number of Auxiliary and Legion members took part in sing songs, etc.

The raffle was drawn at supper time which was a bedspread by Miss Colleen Young and won by Mr. Charles Cheshire of Lacombe.

Mrs. Kae Girling was nominated District Commander for District No. 4 for another term. In the election for District Commander other officers running were Mrs. Stu Black of Innisfail and Mrs. Doris Walker of Rimbey.

Mrs. Grace Towell, President Ladies Auxiliary was chairman for the election and Mrs. Joy Manuel, Mrs. Joan Yeates and Mrs. Towell looked after the ballots.

Alberta Reported Rabies Free; Near Record Cases Elsewhere

OTTAWA -- Confirmed cases of rabid animals reached a near-record level in Canada in the 12-month period ended March 31st, reports the CDA's Health of Animals Branch.

Rabies cases involving both domestic and wild animals totaled 2,463 for the 12 months. This is 881 more than in the previous year and only 87 fewer than in 1958-59, the record year so far for rabies.

During the year, more than 56,000 cats and dogs were vaccinated against rabies at some 320 free clinics conducted by the Health of Animals Branch in Ontario couties. Clinics are continuing to be held in areas where the incidence of the disease is greatest.

Wildlife accounted for 1,428 of the cases in 1968-69. Of this number, 1,025 were foxes and 358 were skunks. The balance was made up of small numbers of raccoons, wolves, muskrats, bats, ground hogs, rats, a rabid bear found in Quebec and an infected caribou in the Northwest Territories. The year-earlier total of wildlife cases was 926.

The number of cases involving domestic animals --dogs, cats, and farm livestock -- rose to 1,035 from 656 the year before. A higher incidence of the disease among cats, dogs and cattle was largely responsible for the increase. The number of rabid cats and dogs rose to 268 from 151 the year before and the number of cattle to 627 from 396.

Ontario had the most cases -- 1,985. Within the province, the incidence of rabies was highest in the counties in the Georgian Bay area and in the eastern region.

Quebec had 258 cases, with more than half of them occurring in the counties of Gatineau, Papineau, Pontiac and Megantic.

The balance of the cases were distributed as follows: 86 cases each in Manitoba and Saskatchewan, two in British Columbia and 13 in the Northwest Territories. No cases were listed for Alberta.

Weekly Livestock Report

EVANSBURG NEWS

As predicted in last week's news, the rain and now the warm sunshine has brought out the green grass and I've heard that several of the farmers are now beginning spring field work.

The Kinsmen and Kinettes from this Village held a very successful 11th anniversary celebration in the Entwistle Elks's Hall on the 25th.

The ladies from the Styal FUA local manned the booth at the sale held at the Tucker farm on the 26th. The ladies reported a brisk business while the sale was in progress and are well pleased with their efforts toward fund raising.

The Junior Senior High School held a barn dance on the 26th in the school auditorium. This proved to be very successful and a large crowd attended.

The Boy Scout Council held its regular monthly meeting in the Evansview School on the 24th. Due to the extremely bad weather on that day, several of the members did not turn up. However, the Cubmasters did settle all the details concerning the Cubaree to be held in the Pembina River Park on May 31st. The next Scout Council meeting will be held on May 15th, a week earlier than usual in order that any matter arising out of the Scout Camporee may be ironed out. The Camporee will be held at Lake Isle on the weekend of May 23rd, 24th and 25th.

The members of the 4-H clubs held their meeting on the 25th, somewhat earlier than usual as they wanted to plan the forthcoming tour to Edmonton. They also set the date for the members' calf tour. This is to take place on May 4th. Plans were also discussed for the float the members plan to enter in the Klondike Days Parade. They also agreed to sponsor the lunch for the Junior FUA speaking contest to be held in Wildwood on May 2nd.

For a visitor this week we had Grandma, Mrs. T. E. Bruner of Pleasant View Lodge in Mayerthorpe. She spent several days with us and her daughter, Mrs. Miller of Gainford.

Mr. Ted Stephans is keeping right in style with the world these days in that he has now acquired a pair of donkeys. At last report, he and the donkeys seemed to be having a slight disagreement, so we wonder who will win.

Some of the boys from the Scout troop and some of the boys from the Cub Pack had a bottle drive recently. They made quite good financially and wish to thank everyone who gave them bottles when they called. The boys also held their annual parent and son supper on April 30th. Although this supper is usally held by most groups in February, it was held at this time in order that more fathers would be home and could attend. A record crowd of around a hundred people attended to have a pot luck supper and view a film afterwards. A highlight of the event was the presentation of 14 first-aid badges to the boys. The boys receiving first-aid badges were: Darrell Gylander, Kirk Nelson, Gerry Grassi, Timothy Aspeslet, Roger Horne, Bobby Stevens, Barry Stevens, Graham Smith, Colin Sullivan, Kenny Bjornstad, Jeff Bruner, Grant Bruner, Daryl Thorburn and Roger Hampton. Speakers for the evening were District Cubmaster H. McKenzie and District Scout Master L. Clark. The boys will now be busy practising for the Cubaree which will be held soon.

Alder Flats News

Harold and Bernice Johnson attended the Petroleum Industry's 18th Annual Technical and Safety Seminar at the Banff School of Fine Arts on April 23rd, 24th and 25th.

Starting off with a general reception on Wednesday night with entertainment and dancing for delegates and wives. The ladies program was very interesting and entertaining. Thursday morning was registration and a coffee party for us. In the afternoon Sergeant O'Neill, Traffic Safety and Education Detail of the Calgary City Police Department emphasized on the hazards on the highways with his speech on "The Psychologies of Driving" followed by a film on the same theme. In the evening a cocktail party, indoor bar-be-que and dance was held in the Banff school auditorium for the delegates and their wives, I might add there were about 1200 at the bar-be-que. Friday morning the ladies attended a fashion show at the Voyager Inn where the latest styles were modeled by the Mai-Wi dress shop of Calgary. In Styles are, the A-lines, flares, and soft pleats and 'Out' are the straight lines. A draw for a door prize and coffee followed the fashion show. The ladies were invited to attend the men's afternoon session at the new Banff School Theatre where several speakers from various segments of the Canadian Petroleum Industry spoke on - Training on the job, Rescue in a H&S area, Conference Summary and Goals followed by the presentation of Safety Awards to Drilling and Service Rig Companies and Drilling and Service Rigs. After the close of the Seminar we enjoyed touring Banff, although the weather left lots to be desired., Saturday morning the sun shone brightly for our departure. During our trip we stopped a short time at the Lenninbergs at Red Deer and the Percy and Randy Hoflins at Calgary.

Bob McCrea of Camrose visited at the Lawrence Hoflins on Thursday, and Sunday visitors at the Hoflins were Mr. and Mrs. Marvin Page of Hoadly.

The weekend of the 19th, the Wayne Lenninbergs of Red Deer visited with the Reg Bywaters and other friends in the district.

Mrs. Margarite Stefura was a recent hospital patient in Drayton Valley.

DATSUN PICKUP

Why it outsells all other imported trucks combined in North America

more-for-your-money
You get a handy-sized pickup that costs only about *half* you'd pay for other trucks — and it costs only about *half* as much to run! The spunky, economical overhead valve engine gives you 30-35 miles per gallon and can zip you along at 70 MPH with still some power in hand.

hauls a ton
Datsun proves you don't have to be big to be tough. It can haul a ton and no sweat.
When you go on vacation or weekend trips, take a camper along. Full size 4-berth campers or canopies fit easily on its 6 ft. long steel bed at back. And you can always rely on Datsun to go where bigger trucks fear to tread!

comforts of a car
The new Datsun can seat three six-footers and you get an instant-acting heater/defroster with 3-speed blower, all synchro 4-speed gearbox, padded dash and sunvisors, 2-speed wipers, windshield washers, tough vinyl leather upholstery, quad headlights and full range of instruments.

There are more than 150 Datsun dealers in Canada — over 700 in North America — so you don't have to go far for parts and service. Test-drive the new Datsun 1300 pickup at your nearest Datsun dealer — it's the best truck buy anywhere!

PARKCOURT NEWS

The regular meeting of the F.C.C. was held in the hall on Wednesday night one week earlier than usual. It was felt necessary to call an early meeting in order to discuss the building of a through highway and also the work being done on other district roads. An election of officers was also held with Fred Fausak and Andy Paulduro being elected for another term as president and secretary respectively. Other business discussed was the painting of the hall and preparations for the coming Farmers' Day celebrations.

Mr. and Mrs. Ron Weigle of Fox Creek spend a long weekend at his home here.

After spending a few days at home, Audrey Paulduro returned to the Drayton Valley Hospital for several more days.

The farmers are busy making preparations to be on the land, though hauling grain this past week kept some busy. Mr. Joe Rosadiuk now has a lot of feeder cattle at his place for the summer.

The annual birthday party for the Gay Gatherers was held at the home of the club's president Mrs. Lucy Tuftin on April 28th. An evening of games and contests took place after which birthday gifts were received by all. A lovely lunch was then served featuring a nicely decorated cake made by Mrs. Billie Marchand.

Miss Marie Woroschuk also celebrated her birthday with a party on April 28th.

Mrs. Edward Greenwood has now returned from a three week holiday in Ontario and Quebec. She reports a wonderful visit with her family whom she had not seen for eleven years.

Mrs. D. Farrell spent a few days at her daughter's home in Sangudo where she was babysitting with her three grandchildren. While there, her brother Mr. Clarence Greer of Birch River, Manitoba paid her a surprise visit.

KEEPHILLS NEWS

Michael Edge is in the Stony Plain Hospital to have his tonsils removed.

Mrs. Tom Ewashko and Mr. Bill Quigg have both been in the hospital for surgery during the past two weeks and are coming along nicely.

Don and Pat Tattersall and son were visiting relations here last week. Edward Tattersall is home after working elsewhere for the winter.

Elva and Lester Clark of Edmonton were Sunday guests of Ken and Viola Porter.

Coreen Zach spent eight days in Hawaii during the Easter holidays.

Mr. and Mrs. Barney Vanderwell and Dianne visited with Mr. and Mrs. LeGrand on Sunday.

Nora Dombrosky, son Lorn and family attended a wedding at Thorsby last week.

Roy Burrows congratulates players on Burrows Motors Seals Bantam Hockey Team on their winning of individual player awards. From right to left are, Bruce Hutton, Mr. Burrows, Mark Hutton and Ronnie Bartek. Bruce and Mark Hutton were chosen as the two players on the team who were most valuable to the team as well as players of outstanding sportsmanship. Ronnie Bartek was voted the most improved player for the season on the Seals team.

D. V. Highlights

BY MRS. EDITH DEBY

Our sympathy is extended to Mrs. Peck's family in their bereavement.

Mr. and Mrs. Armand Brisebois have just returned from two glorious weeks in Italy. Hard not to be envious, isn't it?

Sympathy is extended to Mr. Bert Demers whose stepfather passed away recently.

Mr. and Mrs. Gordon Hay will soon be leaving Drayton Valley to make their home in Camrose. All members of this public spirited family will be greatly missed. "Good-bye and Good Luck", to all the Hays.

Mrs. Garret Van Dorp entertained at her home on Monday evening with a bridal shower for Miss Penny Meier whose marriage to Mr. Eddie Yule, of Barrhead, will be an event of mid-May. Games were enjoyed. Miss Charlotte Parenteau and Mrs. Manuel Schultz assisted the hostess.

Mr. and Mrs. Peter Gregerson, of Summerland, paid a flying two day visit to the district on the weekend. There was so much to be done, and so many people to see, that the available time was broken into twenty minute intervals.

From time to time the Drayton Valley Lions' Club Bulletin, edited by Lion Fred Kaarsemaker, comes to our attention. Mr. Kaarsemaker's reporting on the current progress of the various ambitious projects of the hard working Lions group - the rodeo, the bingo, etc. is always interesting. Also interesting are his obviously uncensored bits of levity - quite worthy of the Smothers Brothers of T.V. fame.

Mr. Albert Thompson was 83 years young last Saturday. Mr. Thompson keeps young with his many activities and projects. Next Saturday he will be seen striding out on the Miles for Millions. Best wishes for many more happy birthdays, Mr. Thompson.

Mr. Red Armstrong's friends are concerned by his recent, serious illness.

Good Attendance At F.G.A. Meeting

The April monthly meeting of the Pembina Oilfield Fish and Game Association turned out to be one of the largest meetings held within the past few years by that association. With a good representation of members present, it was good to see a number of the younger generation in attendance.

The meeting heard a report on the site of the new outdoor rifle range as well as an outline of the Hunter Training Course coming up again this year after missing last year.

The meeting was capably addressed by Mr. Paul Morck of the Alberta Fish & Game Association whose remarks were of considerable interest to all concerned.

As a wind-up, two films on wildlife and our North Country were shown and enjoyed by all.

More than 1,500,000 Canadian ranch mink pelts were sold at auction and in private sales by the end of March this year.

This accounts for over 90 per cent of Canada's 1968 production of 1,650,000 pelts, as well as approximately seven and one-half per cent of the world's total production of 22,000,000 pelts.

Cub and Scout News

SCOUTS

The Scout group had a busy and enjoyable Camp-out April 26th-27th. In all 22 boys participated. All councillors were present.

Also on May 23rd-25th the Boy Scouts will have their Scout Camp which will be held at Pembina District Scout Camp, Lake Isle. Leaving Friday and back sometime Sunday afternoon, this covers Whitecourt and the southern area.

The group propose last meeting for May 20th until further notice.

CUBS - PACK A

These boys have been brushing up on their games and other competitive courses, preparing for the coming Cubaree. The Cubs have been able to take advantage of the nice weather having most of these practices outdoors. Due to Easter holidays there was not too much to report for this month.

CUBS - PACK B

Due to Easter holidays the Cubs of B Pack held only two pack meetings in April. Proficiency badges were awarded to Barton Pederson and Brent Innis. The boys are preparing for the Cubaree, and also taking part in outdoor activities.

CUBS - PACK C

Summer activities are starting to take over our Cub's time now so there are very few stars and badges to report. The Blue Star was earned by Kim Boles and John Suffron, the Red Star by John Greiner and the Tawny by Keith Morrill. Badges were earned by the following: House Orderly by Ricky Radowits, Darrell Radowits, Greg Nelson, Kim Boles; Team Player by Joe Kerr; Musician and Toymaker by Mel Moltzan; First Aid by Leonard Kurylo and Woodsman by Ricky Radowits.

The Pembina District Cubaree will be held on May 31st at the Pembina Provincial Park, weather permitting, in case of rain the date will be June 14th. The fee will be $1 per boy again this year, registration forms will be sent home with all Cubs shortly. Drivers and judges will again be needed, and anyone able to transport boys to and from the rally, or willing to act as judges is asked to contact Mr. Hugh MacKenzie at 542-3489. At least three adults are needed to accompany each pack. Any parents able to come are welcome, and will probably find that the day's events are interesting. This year over 300 Cubs are expected to take part in the Cubaree.

Special Note- All Cub Packs are to take their own water cooler and water, and all Cubs are to bring a lunch to eat upon arrival at the Campsite, the rest of the days meals will be provided.

Bud Swartz (R) Sales Manager at Mayhew Motors receives the congratulations of Bob Hamilton, General Motors District Sales Manager, on achieving a Grand Master Salesman award. Mr. Swartz is one of ten salesmen from among 500 in Alberta to be recognized by the automobile company for having accomplished personal sales achievements of the highest possible standards.

RAMONA NEWS

Mike, Mary and Marion Kmyta along with Olga, Pete and Kenny Mulyk attended a wedding at Red Deer on the weekend. Marion was one of the bride's maids for her cousin, Miss Edna Kuzyk. They report it was alovely wedding and they all enjoyed the weekend very much.

Andy and Liz Kmyta with their three children are visiting with friends and relations in the area for a few days.

Little Sheila Kmyta is spending a few days with Olga Mulyk. I'm sure they are both enjoying their visit very much.

Olga Mulyk tells me her father is feeling much better now. We hope he continues to feel just fine.

The Lloyd Putnam family visited relations in Leduc on the week end. They enjoyed the music of Bev Monroe & The Baby - Sitters on Saturday evening. They say he is very entertaining.

Happy Birthday this week to Frank Fletcher on May 7th, Tina Hallett and Cecil Kelly on May 8th, Debbie Solomon, David Darragh and John Plewis on May 11th and Sharon Putnam on May 13th.

Congratulations to Mike and Mary Kmyta who celebrated their anniversary on Thursday, May 1st.

Don't forget the Whitby Bingo is this Thursday, May 8th. Ramona's Bingo is on Tuesday, May 13th. The jackpot is $80.

We see Armand and Alberta Brisebois are home from their holiday in Italy. When asked how italy was, Armand said "We enjoyed every dollar of it."

NAMES OMITTED

The names of two ardent bowlers were omitted from last week's account of the Legion Roll-off in Calgary. Ruby and John Hurley were also among the group travelling from Drayton Valley for the event.

St. Anthony's Students do Well in Music Festival

The students of St. Anthony's School, under the direction of Sister Florence Brule and Mrs. A. Swanlund as pianist, were again successful in the annual Edmonton Kiwanis Music Festival held at the Jubilee Auditorium. Six out of seven entries placed above 80% which represents "Merit Standing" .

The results were as follows: Unison Folk Song- a song of the choir's choice - "Partons la Mer est Belle". Out of a total of 14 entries, St. Anthony's placed about fourth with 81%. Two other choirs tied for first with 86% and third was 84%. This group of students sang on CFRN "Noon Show".

Soprano-Alto Folk Song-again the choice of the choir-"Bells Above the Chapel". There were six entries and St. Anthony's placed third with 80%, 1st 84%, 2nd 82%.

Grade IV - "The Caravan" by Shaw - 24 entries- Four choirs had to sing for a second time as the adjudication was very difficult. St. Anthony's was among them and placed third with 86. 5% First was 88% and two choirs tied for second at 87%. Comments- excellent, unique distinction.

Grade V "The Cuckoo Song" by Rathbone - 16 entries - St. Anthony's placed about fourth with 82%. Comments: admirable preparation. The boys certainly had alto under control, however, the sopranos were overbalanced. (our sopranos got stage fright and were too weak; we'll try and rectify this for our next performance)

Grade VII Solo - Shirley Lockhart - "Indian Lullaby" by Anderson. 9 entries - an unfortunate lapse of memory forced Shirley to start her piece twice - consequently, even though she sang exceptionally well, she received 76%, which is reasonably good.

Grade VI Solo - Bradley Lockhart - "Lions and Crocodiles" by Robertson. - 12 entries. Bradley placed third or fourth with 82%. First was 86%, second 84%. Comments - a good attack and splendid diction. Just a suspicion of faulty intonation, but a good strong finish.

Transportation was arranged by bus (Mr. Hodgson) and by cars driven by Mrs. Albert, Mrs. Kane and Mrs. Savage. We wish to thank these people for their co-operation.

St. Anthony's School is proud of the groups and feel they did exceedingly well with the amount of competition.

The group is planning to sing their numbers for the public on Awards Night (the date to be annouced).

BERRYMOOR NEWS

A big vote of thanks is due to each and every person who helped to finish the foundation under the old Berrymoor school and also to install a chimney in the building. This work was done last week and the task of creating a community centre there was given a big boost.

Isobel Martin was a Breton visitor last Wednesday afternoon. While there she visted Mrs. Jack Barrett and Mrs. Hattie Barrett.

The Lindale 4-H Swine Club sponsored a dance at the Lindale Hall on the evening of Friday, May 2nd. This event was well attended.

The heavy rain over the weekend ruined the plans of many of our farmers to get some work done on the land.

Mr. and Mrs. Donald Martin and Fred motored to Ryley over the weekend and visited at the home of Gordon and May Tryon.

Mr. and Mrs. David Laughlin motored to Edmonton on Friday to visit Mrs. Ruth Berry who is a patient in an Edmonton hospital.

Recreation Round-Up

HOCKEY SCHOOL IN AUGUST

The Hockey School planned for Drayton Valley in late August has the green light. The school will definitely be held here from August 25th to August 31st inclusive, at the Centennial Civic Centre. Agreement to progress with the proposed school was reached last week with Clare Drake who will be the Director and Chief Instructor for the week long event. Drake, the Coach of the U. of A. Golden Bears, has won international fame as a top coach of college athletics and is rated as one of the top hockey instructors in the country.

Preliminary work on the organization of the school is presently under way and additional information will be available in the near future. The response to the interest survey run on the school during the month of April was very satisfactory and from all indications the attendance of this school should reach the maximum capacity of 140 boys. Anyone interested in attending the school should leave their address and name at the Recreation Office. The registration forms will be available later thismonth.

SUMMER FIGURE SKATING SCHOOL

Progress in the planning and organization of the Drayton Valley Figure Skating School has been most satisfactory. This school will run at the Centennial Civic Centre from June 30th to August 24th, under the direction of Harry Nevard.

Presently registrations are completely booked for the month of July and only a small numer are still open for sessions in August. All persons, from out of town, who will be attending the school pretty well have room and board arranged here at this time. Of the persons taking the course during August, however, still a good number require living accommodations. Any persons interested in furnishing such accommodations for a figure skating student during the month of August should get in touch with Mrs. Gwen Simpson at 542-4240 and the necessary arrangements will be made. In any other matter pertaining to the school and its organization and operation, also call on Mrs. Simpson.

POOL OPENING

In general preparatory work at the Drayton Valley Swimming Pool is progressing very satisfactorily and the tentative opening date is May 24th. The pool staff has been finalized and the program is tentatively planned for the summer months. There will be a school swimming program again this year during late May and early June. We look forward to a very heavy instructional program again this year, especially with the County of Parkland bringing part of their swimming program to our pool.

All persons interested in taking swimming instructions at the local pool this summer may register for such instruction at the Swimming Pool Office anytime after May 22nd. The Pool Cashier, Mrs. Rubyrose Vig will be on duty for registration purposes and to pass on information on any detail of the summer operation of the swimming program.

GIRL'S FASTBALL PROGRAM PLANNED

There is more interest here in Drayton Valley in girl's fastball this spring than there has been in several years. To date a Senior Girls' team has been organized and is practicing regularly under the direction of Bruce Cable Now we find there is keen interest in the formation of a team or teams at the Junior Girls level. Steps have been taken to acquire sufficient coaching for this group and it is hoped that we may get something going for these younger girls this week. Times and places of practice sessions will be announced and if the enthusiasm warrants it we will do all in our power to establish a suitable program.

Bruce Cable feels that his Senior Girls are ready for competition from an outside team at any time that such a game could be arranged. There is a good chance that such competition can be arranged some time in the next week to set the girls on their way in the 1969 Fastball season.

RECREATION BOARD MEETING

The regular monthly meeting of the Drayton Valley Recreation Board was held on Monday evening. The chief items on the agenda dealt with the preparation and opening of the Drayton Valley Swimming Pool, the planning and preparations of the Civic Centre for the D. V. Figure Skating School and the Hockey School and the overall summer recreation program. Plans are to open the swimming pool around May 24th and the Board set the closing date as September 7th. The County of Parkland Regional Recreation Administration will use the swimming pool for instruction purposes for one hour per day for thirty-six days during the summer months. This period of instruction will be from 8 a.m. to 9 a.m. daily, six days per week with the local pool instructors offering the instruction.

LODGEPOLE NEWS

The Girls Handicraft Club completed their seasons activity with a social evening on Monday. Twenty-three girls were in attendance.

The Curling Club held a banquet and dance on Friday which was well attended. Trophies were presented to the winners of the mixed rinks. First, Mr. and Mrs. H. Elliot, Lois Elliot and Lynne Read. Second, Mr. and Mrs. E. Kupsch, and Mr. and Mrs. C. Lindberg. The trophy in the Men's League was won by D. Bolianatz, J. Saunders, E. Haire, J. Desjardins. Second, R. Knapp, D. Hession, G. Schmidt and M. Karach.

A small fire at the R. Oscar apartment caused some interior damage. Mr. Oscar received minor burn. Earlier in the season a fire occurred in the Parker trailer home, which also caused some interior damage. Prompt action in each instance soon controlled the outbreak. The Fire Department cautions all residents to know how to call the fire phone and to have the number handy.

Mr. and Mrs. R. Schmidt and Rhonda of Red Deer spent the weekend with the Schmidt and Anderson families.

Mr. and Mrs. M. Joesting accompanied Mr. and Mrs. J. Erickson to Fort St. John by plane on Saturday.

The Belanger family have moved to Violet Grove.

Congratulations to Mr. and Mrs. D. Lester on the arrival of a son.

NOTE-Fire Hazard High.

Les Brown, sponsor of L.B. Motors Tigers Bantam Hockey Team has just presented trophies to the two outstanding players on his team. Left to right are, Mr. Brown, Kevin Reich, most valuable player, and Zane Reinhart voted the most improved player on the season's play.

ALDER FLATS NEWS

On Tuesday, April 22nd, a miscellaneous shower was held at the Legion Hall in honor of Miss Sylvia Knight, whose impending marriage to Dennis Stewart took place on May 2nd. Over 40 ladies and young girls enjoyed the games Connie Maclean and Agnes Schaurite had planned for the evening. Brenda Stewart assisted the bride-elect by recording the gifts and Joanne Knight did a beautiful job arranging the bows and ribbons on a hat form, into a gorgeous hat which Sylvia donned following the opening of the gifts, at which time she graciously thanked everyone for attending and the lovely gifts she received. Losi Schaurite presented Sylvia with a tablecloth she had embroidered, and which all the ladies present had autographed. A lovely lunch was served by hostesses Connie Maclean and Agnes and Lois Schaurite in climax of the pleasant evening.

Johnny and Mary Jane Speakman and family of High Level and Richard and Edna Speakman and family of Kinuso spent the Easter week at the Art Speakman home.

Mr. and Mrs. Marc Poudrier enjoyed their visit with relatives at Regina from April 14th to 21st.

Mr. and Mrs. Norman Kelso (nee Pat Frickie) and family of Millet spent the weekend of the 26th at the Frickie's.

Sunday dinner guests at the Paul Simon home were Mr. and Mrs. Johnny McBumie of Drayton Valley and Mr. and Mrs. Dale Sergeant and family and Mr. and Mrs. Bill Ring and family.

The turnout for the community supper held last Monday evening was tremendous, and the committees of the Guides, Brownie, Cubs and Scouts organizations would most sincerely like to thank one and all for their attendance and great support. The bird cages the Cubs and Scouts had mastered realized a tremendous profit of one hundred and forty-six dollars for the organization. The two top bids of ten dollars were Benny Chapchuk's buying Regan Seely's cage and Ted Maclean purchasing Donald Hayduk's. Bids ranged from, $2.75 right up to the ten dollars. The Brownies and Guides sold home-made candies for their organization. Judging the bird cages were Mrs. Anne Beattie and Mr. and Mrs. Vin Farrel. First, original, Brian Schaurite, second Donald Hayduk. First, craftsmanship, Brian Hare, second Doug Maclean. In the Scouts competition, First Doug Hare, second Randy Maclean and third Kelvin Wacter.

Mr. and Mrs. Dwight Kellgren were last weekend visitors with her parents the Hector Majeau's at La Lac Nonne.

Carl Durant was on a trip to B.C. recently.

Harvey Miller is driving a new sports car.

Mr. and Mrs. James Chapchuk and family spent nearly two weeks holidaying at the Coast.

Mr. and Mrs. Steve Stefura attended the wedding of Stanley Stefura's daughter in Edmonton this past weekend.

Mr. and Mrs. Larson of Wetaskiwin were out for the weekend and attended the Knight-Stewart wedding, Diane and Alex of Edmonton were also out over the weekend at the Lars Larson's.

Carrol Clemmer and Rae Anne spent the week at the Claire Clemmers at Wainwright recently.

Mr. and Mrs. Harold Johnson were Sunday evening visitors at the Bernard Johnsons at Rimbey.

Reminders - Achievement Banquet May 9th and Sports Day May 19th.

DAUGHTER ARRIVES

Doris and Ron Tyerman of Drayton Valley are delighted to announce the arrival of their chosen daughter, 3 month old Trenell Dawn.

Millbank F.U.A. Local Holds Regular Meeting

The regular meeting of the Millbank F.U.A. was held on Saturday, May 3rd with a fair attendance.

To sponsor one Junior F.U.A. member at the Goldeye Lake Camp in July was agreed if someone wanted to attend. Three members volunteered to represent our local at the F.U.A. Convention to be held in Evansburg June 21st. The annual Farmers' Day which is on Friday, June 13th this year will be spent at the Pembina River Park (same place as last year), with all members bringing a picnic lunch. A local mail rural route was also discussed.

Congratulations to the raffle prize winners who were: Mr. W.T. Cherrington, Moon Lake won first prize of $25; 2nd, Mrs. Agnes Spiller, Entwistle - $15; and Mrs. Irene Case of Tomahawk won third prize, a crib blanket. Thanks to everyone who participated in making our raffle a success.

Whist was played after the meeting and the prizes were won by Josephine Namchuk and Don Cherrington in the high, and Barbara Schenk and Jack Smith won low.

The next meeting is on Saturday, June 7th. Try and come to help make this Local more active.

The importance of breeder honesty in the swine industry cannot be overemphasized.

A known but undisclosed genetic weakness in a boar that is sold to a high quality herd can, and does, do untold damage not only to that herd but to other herds that obtain breeding stock from the buyer of this animal.

TOMAHAWK NEWS

Mr. Gary Schoepp and Mr. Max Weidemann spent the weekend in Jasper skiing. They not only had a wonderful time but came home sporting marvellous tans.

Mrs. Bertha Rabe of Tomahawk has been away on a trip. She visited with her parents, who now reside in Medicine Hat, and then continued on to Saskatchewan where she spent some time with more relatives and friends.

Mr. Max Weidemann, who has completed his year in teacher training at Calgary, is presently employed by Schlumberger Oil Co. for the summer. He will be back in Calgary this fall where he'll be teaching in the future.

Miss Janice Shaw of Tomahawk having finished her third year in U. of A. is back teaching here for the months of May and June.

Best wishes for a speedy recovery are extended to Mrs. Shirley Perras and Mrs. Doris Brydges who are in Edmonton undergoing surgery.

On the occasion of his 72nd birthday, the family of Mr. Vernon Woodruff honored him with a birthday celebration. He received many lovely gifts and the party was a great success.

Mr. Woodruff, (better known as Vernie to his friends, is well known in the district, having been the janitor of the Tomahawk School for the past 18 years and still going strong. We hope to see you around for many years to come Vernie, and we all wish you the best.

The Lutheran Ladies Aid held their monthly meeting on Thursday, April 24th at the home of Mrs. Alma Reich. There was a very good attendance. It was decided to hold the Apron and Tea Sale on Saturday, May 10th at 1:00 p.m. in the Tomahawk Community Hall.

Everyone has a choice. He can either change his ways or endure the results.

Moon Lake News

A bridal shower was held in the Moon Lake hall on Sunday afternoon in honor of Miss Barbara Block of Breton. Barbara thanked everyone for coming and for the many lovely gifts she received. A delicious lunch was served to conclude the afternoon.

Miss Barbara Block will marry Mr. Robert Hudson of Mayerthorpe on Saturday, May 17th. Congratulations go out to the young couple.

The Block family resided in the Moon Lake district several years ago and are known by many around here.

Also congratulations go to Miss Deana Bush of Moon Lake and Mr. Peter Ovelstede of Entwistle who will be married on Saturday, May 24th. Deanna is presently employed in Edmonton.

On May 1st at Moon Lake the Bingo Jackpot of $60 was won by Mrs. Willard of Drayton Valley.

Anyone wanting fire permits in this area - they are now being issued at our local Post Office by Leo Jensen.

Congratulations to Mr. W.T. Cherrington on winning $25 in a raffle held by the Millbank F.U.A. Local recently.

A good thing always gets around

You've probably heard the word from your friends and neighbors: UFA farm delivery trucks are on the move .... on the move ensuring that your storage tanks are full. Service is one of the good things about UFA that Alberta farmers are talking about. This dependable service and the knowhow of your own UFA oil agent are basic to United Farmers' sound business reputation. That's getting around, too. Last year an impressive list of Alberta farmers earned a 12 per cent dividend on their petroleum purchases from UFA. We hope you were one of them. Have you heard the word ?
Then call or see .....

WARBURG NEWS

A meeting of the Minor Oilfield Baseball League was held in Warburg on Monday, April 21st. The purpose of the meeting was to organize and plan the schedule for the 1969 season. Officers were elected at the meeting: Ben Grohn, President and Art Stephanson of Breton was re-elected Secretary-Treasurer.

The League will consist of three categories, "Little Canadians" (10-12 years of age), Bantam (15 and under), and the Midgets (17 years and under).

League games are to be held twice weekly in all divisions. With exceptions of a few Saturday games, all games will be played Tuesday and Friday evenings, at 6:30 p.m.

Three trophies are to be donated by the League. One for each of the winners of each League.

Weather permitting, all League games will start around the week of May 10th. Schedules are now being drawn up.

It is hoped to have Warburg teams in all three leagues.

Mr. Roy Fuller has purchased two baseball trophies for the two Warburg teams in "Little Canadian Baseball League" the Warburg Cubs coached by A.B. Canon and the Warburg Elks coached by Paul Hargas. The trophies will be awarded to the most valuable player on each team. This will be determined by the players and coach at the end of the league season.

The Warburg ladies softball team will be starting practice at the ball diamond on Wednesday, May 7th at 7:00 p.m. All ladies or girls interested please attend.

The Warburg Play-school Mother's meeting will be held on Monday, May 12th in the Warburg Community Hall at 7:30 p.m. The registration for 1969-70 will be on the agenda.

The Oriental Supper put on by the Brownies by the aid of the Ladies' Association on Sunday, April 27th was a success. The Brownies would like to thank all those who patronized.

Mrs. Jack Gaunt has just returned from a two-week visit with her sister, Mrs. Elma Weming of Gibson's Landing, B.C. She also visited her niece and nephews in Vancouver. She reported her first trip by jet very enjoyable. On her return to Edmonton, she visited with her two daughters and her son.

Mr. and Mrs. Lionel Hyland left Friday by jet for Yellowknife, N.W.T. to visit Mr. and Mrs. Stuart Norman (nee Marlene Hyland) and their grandson Dwayne.

Mr. Cy Muma is presently in the Breton Hospital. He is wished a speedy recovery.

A group of 20 young people gathered at the Sunnybrook camp ground for a weiner roast on Saturday evening in celebration of Patsy Lachane's 16th birthday. Everyone had an enjoyable time.

Mr. and Mrs. Bruce Winters and family of Fallis, Alberta spent Sunday afternoon visiting with Mrs. Mary Lehay and family.

Congratulations to Mr. and Mrs. Dennis Posegate, nee Nancy Cunningham, who were married on Friday, April 25th.

Twenty young people were confirmed on Sunday, April 20th in the Warburg United Church after they completed six weeks of confirmation classes.

The Warburg, Breton and Thorsby Hi-C's would like to thank all the young people who helped to make their dance a success. Their dance was held on Friday, April 18th with the "Kiss of Death" supplying the music.

The Health Unit Innoculation Clinic will be held on May 14th in the Warburg School from 10 10:00 a.m. to 12 noon and 1:00 to 3:00 p.m. All adults are encouraged to attend.

The United Church Women entertained the Senior Citizens on Monday, April 21st after they had their monthly meeting.

Gene Schmidt and Virginia Lehay provided some guitar music and singing and Mrs. Helen Smith some readings. Bingo and lunch followed.

Mr. Roy Fuller is leaving Thursday to spend a week in Boyle, Alberta visiting his sister Mrs. Herbert and her husband.

BANK AD PAYS OFF

The Bank of America doesn't need convincing these days that it pays to advertise.

With 950 branches in California alone, the bank can usually count on 35 to 40 robberies each December. According to a story in Marketing, last December the number was reduced to eight by the power of advertising. In addition, four of the bank's five most-wanted robbers were arrested.

The San Francisco-based institution ran full-page ads containing photos of Bank of America's Five Most Wanted Men. The pictures were taken with hidden cameras while the men were in the act of their holdups.

Beneath each photo was a caption reading "At Large" and a detailed description, along with his modus operandi.

The ad was so successful that Bank of America plans to do it on a regular basis and hopes other banks will follow suit. Tips started rolling in immediately and four suspects have been arrested.

Father: "What happened to that waterproof, shockproof, unbreakable, anti-magnetic watch we gave you for Christmas?"
Son: "I lost it."

Large Lots Proposed in New Sub-Division

Shown here is the plan for six large lots (80x220 feet) in the area north of 55th Avenue in a sub-division plan approved recently by Town Council. Included is a playground of 3.36 acres.

Club Members Plan Tour

The last regular meeting of the Lindale 4-H Swine Club was held in the home of Elaine Thyr on April 23rd with 13 members present. The roll call was "Different Kinds of Hog Medicines".

The members discussed the dance on May 2nd at Lindale and the necessary committees were formed.

A motion was carried to make and sell gate signs for $2.00 per sign. Anyone wishing to order a sign may phone 542-2325.

The spring tour was discussed and the members decided to begin on May 24th or 31st at 10 A.M. at T. Horsman's and proceed from there to the other member's places, lunching at O. Bowen's and ending at T. Martin's with hog judging.

Lynne Martin was elected "Dish-washer appointer".

Shann Bowen gave a report on "How to Plant a Tree".

The meeting was adjourned, and a film "The Joy of Winter" was shown. Mrs. Thyr then served a lovely lunch.

Summary of Regular Meeting County School Committee

Regular meeting of the School Committee of the County of Parkland No. 31 continued on Tuesday, April 15th, 1969.

Present were Messrs. R.A. Bailey, R. Zander, L.N. Miller, Roy Lent, George Mann, Ivan Vowk, W. Barth, Don Gylander and T.W. Johnson, School Committee members, also Superintendent Mr. W.G. Wilson, and Assistant Secretary-Treasurer Mr. A.W. Boychuk. Mr. Peter Bakker was present during the afternoon.

DUFFIELD HOME AND SCHOOL REQUEST

The Duffield Home and School Association requested that sandpits and post holes for a backstop at the school be dug. The local people are willing to provide the sand and erect the backstop.

Moved that the request be referred to Mr. Roy Lent for attention. Carried.

SCHOOL BUSINESS

Moved that payments at County rates be made to personnel travelling on school business if and when approved by the Superintendent of Schools. Carried.

STAFF RESIGNATIONS

Moved that the following staff resignations be accepted: Mrs. Mary Ann Goerzen, effective June 30th, 1969; Mrs. Carolyn Naylor, effective June 30th, 1969; Mrs. Joan Zutz, June 30th 1969; and Mrs. Marjorie Harrington, May 16th, 1969. Carried.

GUIDANCE

Moved that the Superintendent and the Chairman be authorized to negotiate a salary for a Supervisor of Guidance Counsellors to be ratified by the School Committee at a later date. Carried.

Moved that the School Committee sponsor one principal to the Principal's Leadership course. Carried.

COACHING SCHOOL

Moved that one teacher per school be authorized to attend the coaching school for track and field at an approximate cost of $25 per teacher. Carried.

Moved that Mr. Gus Goebel be engaged at $110 per month to assist with the caretaking in Spruce Grove until such time as the matter can be resolved on a permanent basis. Carried.

Moved that the drapes in school gymnasiums be cleaned and flame proofed and that the Winterburn community be requested to remove the old drapes from the school. Carried.

Moved that the Fire Commissioner be invited to the next meeting to explain some of the recommendations contained in his reports. Carried.

MAINTENANCE WORK

Moved that E.W. Hillyer be authorized to engage W.K. Arnold for maintenance work, when necessary, at a rate of $2.40 per hour and that casual help be paid at $2.10 per hour. Carried.

Moved that the proposal of Hilliker and Bishop regarding the maintenance of school plants be not considered at this time. Carried.

Moved that Mr. W.G. Wilson be delegated to investigate the operation of all libraries in County schools and report to the School Committee at the next meeting. Carried.

INTERVIEW-REPAIRMEN

Mr. R.L. Goldsack, Mr. Otto Englehardt and Mr. Felix Knor, repairmen, came to see the Board regarding wages. At the present time R.L. Goldsack is paid at $3.00 per hour. Felix Knor is being paid $590.00 per month wages and $390.00 per month for equipment rental and travelling allowance. This matter was discussed at considerable length and it was suggested that the school committee consider monthly salaries for the repairmen.

The matter of suitable vehicles for the repair crew was discussed with Mr. Felix Knor. He thought the crew needs at least two trucks. Mr. Knor was also instructed to make a list of the equipment he owns and to submit his expected price for selling this equipment to the County.

Moved that the matter of salaries for the repairmen be tabled until the next meeting.

CHARGE FOR SCHOOL FACILITIES - RESOLUTION NO. 240

Moved that Clause C (3) in policy re Use of School Facilities be amended to read as follows:-

"Locally sponsored activities not charging admission fees - $2.00 per hour per classroom to

Moved that the committee set up by Resolution No. 50 on January 14th be reconvened and be requested to re-draft the policy on use of school facilities. Carried.

The Entwistle local School Board requested the following:- (a) Petty cash fund of $25 for secretary's expenses. (b) Fence around the school grounds.

Moved that letters be sent to all local school secretaries advising that if any expenditures are incurred by them on school business, an itemized bill should be submitted to the County office and it will be considered for payment. Carried.

Moved that the matter of a fence at the Entwistle School be referred to Mr. George Mann and to Mr. Don Gylander for attention and action. Carried.

S. Hodgson came to see the Board regarding the proposed school at Spruce Grove. He wanted to know whether he should go ahead with the plans at this time or should he wait.

DEBENTURE FUNDS-
SPRUCE GROVE

The following letter was received from the Deputy Minister of Education:-

"1969 ALLOCATION OF DEBENTURE FUNDS

"After long consideration of the allocation of available debenture funds, we wish to inform your board that it might expect to receive in 1969 further funds committed for projects tendered in 1968, and in addition the following amount of money for school projects as yet untendered:

$100,000 Spruce Grove Addition.

The amount of the above apportionment may require some defernent of your building plans, and some scheduling of tender dates in order to obviate the necessity of short term borrowing to meet progress payments during the year.

In arriving at your apportionment of debenture funds, the prime consideration has been for conditions associated with the increased number of pupils, and providing construction where at present there is no available space.

Where the amount of money available in 1969 is not sufficient to meet the total estimated cost of the current building program, it is expected that a further apportionment will be made in 1970 for projects tendered in 1969."

Moved that Mr. R. Zander, Mr. R.A. Bailey and Mr. L.N. Miller be authorized to meet with the Minister of Education regarding the availability of debenture funds for the proposed Spruce Grove School and that any arrangements made must be confirmed in writing. Carried.

A letter was received from the School Buildings Board advising that recognition of need has been granted for an 800 sq. ft. stage for the Spruce Grove gymnasium. Carried.

The School Committee was informed that no demands for a plebiscite on the Spruce Grove School were received and that the application for permission to borrow has been submitted to the Local Authorities Board on April 10th.

SCHOOL BUS
COMMITTEE REPORT

The following reports regarding school bus operation were submitted to the School Committee:

Re: Hines Bus Complaint,
Drayton Valley.

School Bus Committee Recommends - That the Bus Route follow the same road as in the past, until money is available to build a short extension to the Municipal road, which is built from the west up to the gate south of his house. This would enable the bus to proceed a bus length past the gate entrance, back into the entrance, and thereby having completed a turn-around.

Re: Request by Mr. G. Cebuliak-

The School Bus Committee Recommends - That where as the only other bus in the area that could pick up these children is loaded to capacity. Therefore the Committee feels no changes in bus routes should be made at this time.

Re: Request by Mr. Schlecker -

The School Bus Committee Recommends - That Mr. Schlecker carry on with the same size of buses as in the past, as the bus committee feels that there is no need of a larger bus at this time.

Moved that the foregoing recommendations of the school bus committee be accepted. Carried.

SMOKING FACILITIES-
MEMORIAL HIGH SCHOOL

The students of the Memorial High School in Stony Plain requested permission to build a shelter on the school grounds for smoking.

Moved that the School Committee do not permit the erection of a smoking shelter on the Memorial High School grounds. Carried.

Moved that Mr. R.A. Bailey and Mr. Peter Bakker act on the committee in investigation of working conditions of the teachers within the County. Carried.

SCHOOL SECRETARIES
SHORT COURSE

The school committee was advised that the annual School Secretaries Short Course is to be held in Banff on June 2nd to June 4th inclusive.

Moved that all School Committee members who, who so wish, be authorized to attend the School Secretaries Short Course in Banff with remuneration at the going County rates. Carried.

Moved that Mr. F.P. Flanagan be authorized to rent a large post office box for the school at County expense. Carried.

EDSON-STONY REGIONAL
HIGH SCHOOL DISTRICT NO. 2

The minutes of a meeting of the Edson-Stony Regional High School District No. 2 held on March 24th together with copy of the 1969 proposed budget and requisition were presented to the School Committee.

Moved that the proposed budget of the Edson-Stony Regional High School District No. 2 for 1969 together with the requisition of $6,100.50 on the County of Parkland No 31 for this year be accepted. Carried.

SCHOOL REGULATIONS

A letter was received from Mr. F.P. Flanagan in which he requested the views of the School Committee on school regulations governing pupils remaining at the school to eat their noonmeal. He quoted the following regulation presently in effect at his school together with the suggested amendment below:-

"A bused student may not go off the school premises during the noon hour without a written request from the parent or guardian concerned. This request must be approved by the room teacher. This rule applies to town students who have permission to eat their lunches at school."

Suggested additon to present rule.

"A Junior High student may be excused from this regulation if a parent or guardian concerned sends to the Principal a written request asking for such exemption. This request will cover a full school year and will be filed in the Principal's office. A parent or guardian may withdraw this request for exemption at any time."

Moved that the school committee endorse and adopt the following regulation at the Stony Plain Junior High School with no change and that full co-operation be extended to the principal enforcing it:-

"A bussed student may not go off the school premises during the noon hour without a written request from the parent or guardian concerned. This request must be approved by the room teacher. This rule applies to town students who have permission to eat their lunches at school." Carried.

Moved that the offer of the Devon School District for payment of tuition fees on a pupil pro-rata basis on the lesser of the 2 supplementary requisitions involved be accepted. Carried.

Moved that for 1969 the School Committee purchase physical education supplies from McLeod's Mercantile of Spruce Grove as in the past. Carried.

A rough draft of a proposed agreement with the Village of Spruce Grove presented to the School Committee. This agreement was studied briefly and the discrepancies were pointed out. The special committee is to meet again to re-draft this agreement and then present it to the School Committee for final approval.

FEWER FARM LOANS

Farmers used less Farm Credit Corporation money for mortgages and more for syndicate machinery purchases last year, says George Owen, FCC chairman.

During the year, 9,159 loans totaling $208,330,500 were approved under the Farm Credit Act compared to 11,954 loans amounting to $263,236,500 the preceeding year. Syndicate loans numbered 213 for a total of $1,672,232 this year compared to 102 for $972,808 the preceeding year.

Tributes To Mother

BY REV. DONALD SNELL

Paul writing to Timothy said, "When I call to remembrance... "The remembrance of faith which dwelt not only in his grandmother but laid hold of his mother also. A man never sees all that a mother has been to him till it is too late to let her know he sees it. Mother's influence for good or evil is beyond our estimation. Beecher said, "The mother's heart is the child's schoolroom".

John Quincy Adams as President of the United States giving tribute to his mother said, "All that I am my mother made me"! No nation is stronger than the homes which make up that nation. No church is stronger than the homes represented in worship. Satan strikes his hardest blows at our homes.

Our country not only needs Grandmothers and Mothers of faith but Grandfathers and Fathers who are teaching their children by example and precept, faith in the Living God.

This is Family Week and bringing to a climax is the celebration of Mother's Day. Many have penned words of tribute to Mother on this happy occasion. Barbara Clausen illustrates it in these words.

I remember Mother's songs, her stories, and her prayers;
I remember how she told of God, His love and His care.
A tear would glisten in her eye,
A smile would cross her face
As she would tell me once again of saving, keeping grace.
I remember Mother's love, her tender sympathy;
I remember how she gave so sacrificially;
No task would be too hard for her,
No need would be too slight
As she endeavored to extend her Savior's life and light.
I remember Mother's Day with many smiles and tears;
Her love, her trust, her simple faith
Will guide me through the years.

Another poem reads this:

No one knows of the work it takes
To keep the home together;
Nobody knows the steps it takes
Nobody knows but mother.
Nobody knows the lessons taught
Of loving one another;
Nobody knows the patience sought,
Nobody knows but mother.

This is a nice poem but it is not true---There is Someone who knows. Mother, He loves you and He will help you. Have faith in Him! Pass that faith on to your children and your grandchildren.

Take time for worship, strengthen your faith and in so doing you will pass on a priceless heritage to your children.

ROCKY RAPIDS

Congratulations to Mr. and Mrs. Wilf Townsend on the birth of their first grandchild and to Mr. and Mrs. Tom Townsend on their first great grandchild born to Mr. and Mrs. Roy Beland daughter, Denise on April 30th.

Mr. and Mrs. Lyle Combs and Norman Douglas reported they had an enjoyable trip to Vancouver.

Congratulations to Mr. W. Dusterhoft who was the lucky winner on the draw for the dishwasher at the Rebel Hockey Draw.

The Rocky Rapids Community League is holding its next supper and dance on June 6th.

Mrs. J. Smith reported a moose sauntered into their yard and stood by their garage on May 5th and then slowly crossed the road and continued on his way. To bad it wasn't hunting season. I wonder if it is the same one seen by Walter Douglas at the Townsend farm early Sunday morning.

You'll have to agree, this is a switch—me writing an open letter to you, but I need your help. The annual JUNIOR CITIZEN OF THE YEAR program is about to get underway and I want you to tell me about a boy or girl, or a group of young people, between the ages of 6 and 16, who you feel are deserving of recognition as a 1969 ALBERTA JUNIOR CITIZEN.

There are young people in your own community, who under difficult circumstances or during an illness have displayed exceptional qualities of responsibility, resourcefulness and leadership. It might not be a feat as dramatic as saving a person's life—perhaps the young person you know has exhibited an unusual sense of responsibility in assuming home or community duties. Whatever, these young people deserve your support. Recognize their deeds by nominating them for an Alberta Junior Citizens award. It will only take a few minutes to call me, come in and see me or fill out the coupon below. I'll be looking forward to hearing from you soon.

The Alberta Junior Citizen of the Year awards are sponsored annually by this newspaper and Alberta's investor-owned public utility companies. NOMINATIONS CLOSE JULY 31.

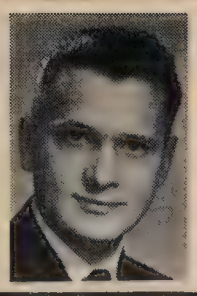
Report From Parliament Hill

By Allen Sulatycky, M.P.



One of the first items on the agenda of the new Prime Minister when he took office last summer was a full review of Canada's foreign policy. Mr. Thudeau indicated that this study would be in depth and would not be hampered by old traditions or concepts.

Canada's role in the North Atlantic Treaty Organization has now been determined. We have come to the conclusion that our national interest and the pursuit of peace is best served by a gradual reduction of our NATO forces with a greater concentration on continental defence.

The NATO question was by far the most important and difficult of the matter comprising our foreign policy review. There were a number of options open to us. We could stay in NATO more or less as we are. On the other hand, we could get out of NATO altogether. Between these two choices lay the ones of remaining in NATO, but withdrawing our forces immediately or as we chose, in stages. In either of the latter two cases our troops could still be dispatched to Europe if and when required.

In addition to NATO other aspects of our foreign policy review include items such as entry into the organization of American States (OAS), recognition of Red China and the establishment of diplomatic relationships with the Vatican.

Insofar as the OAS is concerned there are two main arguments. The OAS is comprised of western hemisphere nations with the exception of Canada. Traditionally the group has been dominated by the United States and one argument has been that Canada can have more influence on decisions affecting this hemisphere if it does not encumber itself within this alliance. The courter-argument is that we can be more effective as a member of the OAS.

Other items in the review are the questions of diplomatic relations with Communist China and the Vatican. Arguments in support of these moves indicate that Canada should recognize the facts of the situations. The Communist government of China is the actual legal government of over 600,000,000 people. We have growing trade with China and the arguments in favour of recognition seems to be weighty. It may be time we got rid of the pretence that Chiang Kai Shek and his government on Taiwan have any legal or moral right to claim to represent mainland China.

Arguments with respect to recognition of the Vatican should be viewed in its context free from emotional considerations on one side or the other. Those in favour of recognizing the Vatican point out advantages from the diplomatic standpoint of having a Canadian representative in touch with other representatives from the approximately 70 countries who have representations in Rome. Counter-arguments on this point are along the lines of maintaining a separation between church and state.

On all questions of foreign policy Canadians will have to weigh the arguments for and against each item in a manner characteristic of our stature as a mature nation, free from external pressures and old prejudices.

F.U.A Meeting

Regular monthly meeting of Drayton Valley Local No. 519 F.U.A. will be held on Wednesday, May 14th at 8:00 p.m. in the Town Council Chambers.

Earl Kelly, Exaulted Ruler of Drayton Valley B.P.O. Elks Lodge congratulates the captains and outstanding players on his team. (L to R) Edward Eustace holds B.P.O. Elks trophy won by the team in the local Pee-Wee League in the 1968-69 season, Mr. Kelly, Dean Samis, M.V.P. and Sportsmanship Award, Grant Gabrielson team captain, and Gary Keufler who won the most improved player award.

THE HOMEMAKER

CONSUMER MEMO - A new regulation has been passed making it necessary to include a complete list of ingredients on soups.

You're aware that this regulation has applied on other products for some time. (Stew for example).

So you know how to interpret the list?

When the label reads...meat, vegetables, oil, salt, wheat starch and seasoning, you know you're getting a product with a good bit of meat. If vegetables are listed first, you know you'll be getting mostly vegetables and some meat. Depending on the intended use, you may or may not want to pay for the extra meat.

C.A.C. Meeting - Last week I attended the annual meeting of the Canadian Association of Consumers at the Corona Hotel.

It was a pleasant surprise to see three delegates from Stony Plain - Mrs. Harold Evjen, Mrs. Henry Schlecker and Mrs. C.R. Wood.

The more support you lend to this organization, the better will be your position when you come to spending your hard-earned money.

Any one of these ladies could give you further information. Perhaps you would ask them about the $3 membership fee that entitles you to their bi-monthly publication.

Poverty in Alberta - Mr. Oberholtzer, Director of Human Resources, spoke to the above mentioned meeting. He said it's estimated that 20 - 25% of Albertans are living at a poverty level. ("Poverty" may be difficult to define but some set it at less than $4,000 annually and others at less than $2,500) This may or may not work a hardship.

At any rate, this would mean that in Edmonton, about 170,000 people could be considered to be living on rather low incomes.

CDA entomologists at Camp Hazen 560 miles from the North Pole, used the barberpole-like apparatus, fore-ground above, to capture insects while on an expedition to Ellesmere Island in Canada's High Arctic

Canadian Scientists Reveal Large Variety of Arctic Life

OTTAWA -- Scientists are learning that there's an amazing amount and variety of life in Canada's Arctic-- even at it's extreme north.

For example, a scant 560 miles from the North Pole, they have found everything from snowy owls to two different types of bumble bees.

"We had no idea that there was so much life that far north," says J.A Downes, chief of the experimental biology section of the CDA's Entomology Research Institute.

He spent two summers in the high Arctic, one at Camp Hazen in the northern part of Ellesmere Island, the other on the northeast coast of Greenland.

The expedition to Greenland was a joint venture with Danish scientists who operate a station just a few miles away from the Canadian group.

"Few people realize that Canada's second-closet neighbor is Denmark, which governs Greenland. Greenland is only about 19 miles away from Ellesmere Island," Mr. Downes says.

The Canada Department of Agriculture sent six parties to Camp Hazen between 1961 and 1966. The Entomology Research Institute is still poring over some of the insect collections made during those summers, trying to identify the more than 250 species of insects.

In addition, there was the expedition to the Pearyland region of Greenland in 1966 which included four Canadians and four Danes.

Mr. Downes describes the work as "biological exploration trips."

"It's the same type of exploration that the first explorers did. But, instead of mapping the land, we're mapping its contents. We're compiling data about the biological aspects of our Arctic regions.

"We're going for biology what others are doing for geology --for example, the geologists who are drilling for oil or searching for mineral wealth."

It's obvious that the far Arctic north isn't going to be farmed in the sense that we know farming in the southern regions of Canada; however, it will be important to know as much as we can about Arctic biology.

In fact, it was this basic search for knowledge that sent the first biological scientists into Canada's north. At that time - 1947 - the Defence Research Board want-

THANK YOU

We wish to express our thanks to all our friends and neighbors for their expression of sympathy in our recent bereavement. A special thanks to the ladies of the U.C.W.
Chester and Harvey Miller and the Peck Family

I would like to take this opportunity to thank the Elks Lodge for the use of the hall for the L.B. and Seals Bantam and Pee Wee Elks Hockey Banquet. Also for their assistance to set up tables and get it ready. Would like to thank the ladies who helped me plan the banquet and to all the mothers who helped prepare the food. With such good co-operation from all, is what makes things such a success.
Thanks again
Mrs. Tom Hutton.

PAJAK-- We wish to thank our many friends, relatives and neighbors for their kind expressions of sympathy, floral tributes and help during our recent bereavement in the loss of our father and husband. Special thanks to Father McKenzie and the pallbearers.

Large Variety Arctic Life

(Cont. from Page 21)

ed to know how biology would affect any possible invation or war in Canada's far north.

There was a feeling then that Russian armies might attack by crossing the polar cap -- the shortest air route-- and pushing down through Canada. It would be important to know what types of biological problems armies would face, problems such as hordes of mosquitoes.

The researchers learned, for example, that there are about 5,000,000 mosquitoes per acre in the Churchill area. If a man bared his fore-arm, from wrist to elbow, he could get up to 280 mosquito bites within a minute. These types of facts made it important to learn the life cycle of these mosquitoes and possible control methods. An effective method of spraying mosquito breeding grounds from Dakota aircraft was worked out, and is the basis of the method still used today.

Now that the threat of war between armies in the Arctic has diminished, interest in military biological problems has decreased.

"But, that hasn't decreased our general need to know about biology in the Arctic," says Mr. Downes. "For example, we have radar stations in the north and recently there's been a booming interest in geological exploration, touched off by the discovery of oil in Alaska.

"If we're going to move people into these area, and it appears quite likely that we will in increasing numbers, we'll have to know more about Arctic biology."

So far the scientists have identified a wide range of species --115 plants, 250 insects, 21 birds and seven animals--at Camp Hazen. The scientific data collected up to them suggested that there were only about 90 species of insects in the Camp Hazen area.

"We've uncovered an unsuspected wealth of biological resources," says Mr. Downes.

The research has had its value in the southern areas of Canada as well. For example, scientists are currently taking a much closer look at the life cycles of some of our insects. They used to think that these insects went through all the stages from egg to adult in one summer. Now, in view of the discoveries at Camp Hazen, they're learning that many southern insects also can take two or more seasons to develop from egg to adult.

The last expedition to Camp Hazen was in 1966. The Canada Department of Agriculture doesn't have firm plans for more in the immediate future, although some scientists in the Department are taking part in other expeditions to other Arctic areas.

"We're still busy sorting out a lot of the data we have already collected, " says Mr. Downes. "But we're curious and we would like to learn far more about our Canadian Arctic. We've still got that urge common to all explorers. We'll never be satisfied that we've learned all there is to know about biology in the Arctic."
